Museum of Berkshire Aviation

A close-up photograph of a bumblebee in flight, moving from left to right towards a vibrant pink and white columbine flower. The bee is in sharp focus, showing its black and yellow stripes and wings. The flower has several long, pointed petals, some pink and some white. The background is a soft, out-of-focus green, suggesting foliage. The word "Incoming" is overlaid in white, sans-serif font across the center of the image.

Incoming

A still life composition set against a dark background. In the center, a tall, elegant glass is filled with water, and a dynamic splash of water is captured mid-air above it. To the right of the glass stands a bottle of tonic with a textured, faceted glass body and a cork stopper. In the foreground, a whole yellow lemon and a slice of lemon are placed on a dark, highly reflective surface, which creates a clear mirror image of the objects below. The lighting is dramatic, highlighting the textures of the glass, the vibrant yellow of the lemons, and the clarity of the water.

St Davids

The American dream of 1955 in
miniature

A black and white photograph of a stone church tower, possibly a bell tower, seen through the intricate, bare branches of trees. The tower has a crenellated top and a small window. The scene is framed by dark, silhouetted branches against a lighter sky. The overall mood is somber and contemplative.
